TENANTS VOICE

SHROPSHIRE

Join us on the **10:00AM** on **25th** and **26th January** at **Tenants Voice 2022**, a livestreamed event, where you will hear from fellow tenants, representatives from some of Shropshire's social housing landlords, as well as guest speakers. This is the first dedicated event for the 19,000 social housing tenants across Shropshire.

You will be able to find out more about how **you can influence** the decisions taken by your landlord that affect **you, your community, and your home**.

Tenants Voice 2022 is **your opportunity** to have **your voice** heard, and to find out more about your landlord and their priorities for the coming years.

We will explore four main topics:

1. Tackling Loneliness and Isolation
2. Climate Change
3. Health and Wellbeing
4. Creating Stronger Communities and Neighbourhoods

Key Sessions and Areas of Interest will be:

- What does climate change mean for the future of housing?
- The future of social housing in Shropshire
- How can I influence key decisions which affect me and my community?
- Community led development in Shropshire
