

Appendix B – Self-Assessment Form

This self-assessment form should be completed by the complaints officer and discussed at the landlord's governing body annually.

Evidence should be included to support all statements with additional commentary as necessary.

Explanations must also be provided where a mandatory 'must' requirement is not met to set out the rationale for the alternative approach adopted and why this delivers a better outcome.

Section 1 - Definition of a complaint

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the organisation, its own staff, or those acting on its behalf, affecting an individual resident or group of residents.'</i>		Included in our Complaints Policy
1.3	The resident does not have to use the word 'complaint' for it to be treated as such. A complaint that is submitted via a third party or representative must still be handled in line with the landlord's complaints policy.		Included in our Complaints Policy
1.6	... if further enquiries are needed to resolve the matter, or if the resident requests it, the issue must be logged as a complaint.		Included in our Complaints Policy. Monitored weekly
1.7	A landlord must accept a complaint unless there is a valid reason not to do so.		Included in our complaints Policy

1.8	A complaints policy must clearly set out the circumstances in which a matter will not be considered, and these circumstances should be fair and reasonable to residents.		Included in our Complaints Policy
1.9	If a landlord decides not to accept a complaint, a detailed explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman.		Whilst we will do this in practice, our size means we have no significant evidence due to the small number of complaints we receive. We will develop some standard text for correspondence that will reference the Ombudsman.

Best practice 'should' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
1.4	Landlords should recognise the difference between a service request , where a resident may be unhappy with a situation that they wish to have rectified, and a complaint about the service they have/have not received.		Information provided to staff team
1.5	Survey feedback may not necessarily need to be treated as a complaint, though, where possible, the person completing the survey should be made aware of how they can pursue their dissatisfaction as a complaint if they wish to.		Contact is currently made with tenants following bi-annual satisfaction survey, but we will make explicit the opportunity to pursue any dissatisfaction through the complaints policy going forward.

Section 2 - Accessibility and awareness

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
2.1	Landlords must make it easy for residents to complain by providing different channels through which residents can make a complaint such as in person, over the telephone, in writing, by email and digitally. While the Ombudsman recognises that it may not be feasible for a landlord to use all of the potential channels, there must be more than one route of access into the complaints system.		Included in our Complaints Policy
2.3	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the number of stages involved, what will happen at each stage and the timeframes for responding.		On website, at tenancy sign up and in responses to tenant enquiries as required. Section included in new Tenants handbook to be completed in 2023.
2.4	Landlord websites, if they exist, must include information on how to raise a complaint. The complaints policy and process must be easy to find on the website.		On homepage of website
2.5	Landlords must comply with the Equality Act 2010 and may need to adapt normal policies, procedures, or processes to accommodate an individual's needs. Landlords must satisfy themselves that their policy sets out how they will respond to reasonable adjustments requests in line with the Equality Act and that complaints handlers have had appropriate training to deal with such requests.		Through staff training Equalities Policy due for update in 2022/23
2.6	Landlords must publicise the complaints policy and process, the Complaint Handling Code and the Housing Ombudsman Scheme in leaflets, posters, newsletters,		Website, Tenants Handbook to be completed in 2023.

	online and as part of regular correspondence with residents.

2.2	Where a landlord has set up channels to communicate with its residents via social media, then it should expect to receive complaints via those channels. All complaints are treated the same way regardless of how they are received.

Section 3 - Complaint handling personnel

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations

3.1	Landlords must have a person or team assigned to take responsibility for complaint handling to ensure complaints receive the necessary attention, and that these are reported to the governing body. This Code will refer to that person or team as the “complaints officer”.		Administration Officer has this role.

Section 4 - Complaint handling principles

Mandatory ‘must’ requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
4.1	Any decision to try and resolve a concern must be taken in agreement with the resident and a landlord’s		

	audit trail/records should be able to demonstrate this. Landlords must ensure that efforts to resolve a resident's concerns do not obstruct access to the complaints procedure or result in any unreasonable delay. It is not appropriate to have extra named stages (such as 'stage 0' or 'pre-complaint stage') as this causes unnecessary confusion for residents. When a complaint is made, it must be acknowledged and logged at stage one of the complaints procedure within five days of receipt.		Included in our Complaints Policy. Weekly complaints monitoring is in place and the complaints tracker is being further developed.
4.2	Within the complaint acknowledgement, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. If any aspect of the complaint is unclear, the resident must be asked for clarification and the full definition agreed between both parties.		Initial complaint response outlines our understanding of the complaint and asks for tenant to confirm their agreement.
4.6	A complaint investigation must be conducted in an impartial manner.		Included in our Complaints Policy and monitored at the weekly complaints meeting.
4.7	The complaint handler must: <ul style="list-style-type: none"> • deal with complaints on their merits • act independently and have an open mind • take measures to address any actual or perceived conflict of interest • consider all information and evidence carefully • keep the complaint confidential as far as possible, with information only disclosed if necessary to properly investigate the matter. 		Included in our Complaints Policy and monitored at the weekly complaints meeting. Regular training and sector updates for Complaints Officer.
4.11	Landlords must adhere to any reasonable arrangements agreed with residents in terms of frequency and method of communication		We would do this where requested.

<p>4.12</p>	<p>The resident, and if applicable any staff member who is the subject of the complaint, must also be given a fair chance to:</p> <ul style="list-style-type: none"> • set out their position • comment on any adverse findings before a final decision is made. 		<p>We ensure all responses to a complaint have been responded to in an appropriate manner before they are sent out.</p> <p>To be implemented by the Chief Executive or Complaints Officer and reviewed weekly.</p>
<p>4.13</p>	<p>A landlord must include in its complaints policy its timescales for a resident to request escalation of a complaint</p>		<p>Included in our Complaints Policy</p>
<p>4.14</p>	<p>A landlord must not unreasonably refuse to escalate a complaint through all stages of the complaints procedure and must have clear and valid reasons for taking that course of action. Reasons for declining to escalate a complaint must be clearly set out in a landlord's complaints policy and must be the same as the reasons for not accepting a complaint.</p>		<p>Included in our Complaints Policy</p>
<p>4.15</p>	<p>A full record must be kept of the complaint, any review and the outcomes at each stage. This must include the original complaint and the date received, all correspondence with the resident, correspondence with other parties and any reports or surveys prepared.</p>		<p>Complaints Folder held on server which includes all correspondence and complaints log used for monitoring.</p> <p>The complaints log has been updated to provide a more robust for of monitoring at weekly meetings.</p>
<p>4.18</p>	<p>Landlords must have policies and procedures in place for managing unacceptable behaviour from residents and/or their representatives when pursuing a complaint.</p>		<p>Included in our Complaints Policy</p>

Best practice 'should' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
4.3	Landlords should manage residents' expectations from the outset, being clear where a desired outcome is unreasonable or unrealistic		Included in our Complaints Policy and will be our standard approach in correspondence.
4.4	A complaint should be resolved at the earliest possible opportunity, having assessed what evidence is needed to fully consider the issues, what outcome would resolve the matter for the resident and whether there are any urgent actions required.		Weekly review of complaints progress.
4.5	Landlords should give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord where this is reasonable.		Included in our Complaints Policy
4.8	Where a key issue of a complaint relates to the parties' legal obligations landlords should clearly set out their understanding of the obligations of both parties.		Training for Complaints Officer and weekly review of complaints.
4.9	Communication with the resident should not generally identify individual members of staff or contractors.		We have tended to use staff names in correspondence as the tenant will generally know the staff member. If a staff member does not wish to be named we will use the job role.
4.10	Landlords should keep residents regularly updated about the progress of the investigation.		Complaints Policy and weekly review of complaints.
4.16	Landlords should seek feedback from residents in relation to the landlord's complaint handling as part of		This is not currently reference in our Complaints Policy, but does happen. In the

	the drive to encourage a positive complaint and learning culture.		updated Policy and procedure we will adopt a more standardised approach.
4.17	Landlords should recognise the impact that being complained about can have on future service delivery. Landlords should ensure that staff are supported and engaged in the complaints process, including the learning that can be gained		Through supervision and 1-1 meetings with staff.
4.19	Any restrictions placed on a resident's contact due to unacceptable behaviour should be appropriate to their needs and should demonstrate regard for the provisions of the Equality Act 2010.		This is contained in our Unacceptable Behaviour Policy.

Section 5 - Complaint stages

Mandatory 'must' requirements

Stage 1

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
5.1	Landlords must respond to the complaint <u>within 10 working days</u> of the complaint being logged. Exceptionally, landlords may provide an explanation to the resident containing a clear timeframe for when the response will be received. This should not exceed a further 10 days without good reason.		Included in our Complaints Policy and monitored in weekly complaints review meeting.
5.5	A complaint response must be sent to the resident when the answer to the complaint is known, not when the outstanding actions required to address the issue, are completed. Outstanding actions must still be tracked and actioned expeditiously with regular updates provided to the resident.		To be covered in weekly monitoring of complaints.
5.6	Landlords must address all points raised in the complaint and provide clear reasons for any decisions, referencing the relevant policy, law and good practice where appropriate.		Complaints Policy, training for relevant staff.
5.8	Landlords must confirm the following in writing to the resident at the completion of stage one in clear, plain language:		

	<ul style="list-style-type: none"> • the complaint stage • the decision on the complaint • the reasons for any decisions made • the details of any remedy offered to put things right • details of any outstanding actions • details of how to escalate the matter to stage two if the resident is not satisfied with the answer 		This will be further improved by the use of standard letter templates which are now in place.

Stage 2

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
5.9	If all or part of the complaint is not resolved to the resident's satisfaction at stage one it must be progressed to stage two of the landlord's procedure, unless an exclusion ground now applies. In instances where a landlord declines to escalate a complaint it must clearly communicate in writing its reasons for not escalating as well as the resident's right to approach the Ombudsman about its decision.		This will be further improved by the use of standard letter templates to be developed.
5.10	On receipt of the escalation request, landlords must set out their understanding of issues outstanding and the outcomes the resident is seeking. If any aspect of the complaint is unclear, the resident must be asked for clarification and the full definition agreed between both parties.		This will be further improved by the use of standard letter templates to be developed.
5.11	Landlords must only escalate a complaint to stage two once it has completed stage one and at the request of the resident.		Included in our Complaints Policy
5.12	The person considering the complaint at stage two, must not be the same person that considered the complaint at stage one.		Included in our Complaints Policy

5.13	Landlords must respond to the stage two complaint <u>within 20 working days</u> of the complaint being escalated. Exceptionally, landlords may provide an explanation to the resident containing a clear timeframe for when the response will be received. This should not exceed a further 10 days without good reason.		Included in our Complaints Policy

In practice this is what we seek to do, but this will be further improved by the use of standard letter templates to be developed.

Stage 3

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
5.17	Two stage landlord complaint procedures are ideal. This ensures that the complaint process is not unduly long. If landlords strongly believe a third stage is necessary, they must set out their reasons for this as part of their self-assessment. A process with more than three stages is not acceptable under any circumstances.		Complaints Policy is 2 stage

5.20	Landlords must confirm the following in writing to the resident at the completion of stage three in clear, plain language: <ul style="list-style-type: none"> • the complaint stage • the complaint definition • the decision on the complaint • the reasons for any decisions made • the details of any remedy offered to put things right • details of any outstanding actions • details of how to escalate the matter to the Housing Ombudsman Service if the resident remains dissatisfied 		Complaints Policy is 2 stage

Stage 1

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
5.2	If an extension beyond 20 working days is required to enable the landlord to respond to the complaint fully, this should be agreed by both parties.		In practice this is what we seek to do, but this will be further improved by the use of standard letter templates to be developed.
5.3	Where agreement over an extension period cannot be reached, landlords should provide the Housing Ombudsman's contact details so the resident can challenge the landlord's plan for responding and/or the proposed timeliness of a landlord's response.		In practice this is what we seek to do, but this will be further improved by the use of standard letter templates to be developed.
5.4	Where the problem is a recurring issue, the landlord should consider any older reports as part of the background to the complaint if this will help to resolve the issue for the resident.		Details of former complaints form part of investigation process.

5.7	Where residents raise additional complaints during the investigation, these should be incorporated into the stage one response if they are relevant and the stage one response has not been issued. Where the stage one response has been issued, or it would unreasonably delay the response, the complaint should be logged as a new complaint.		Monitored through weekly complaints review meetings. Limited evidence is available due to a low number of complaints, but in practice this is what we seek to do.

Additional time will only be justified if related to convening a panel. An explanation and a date for when the stage three response will be received should be provided to the resident.	N/A

Section 6 - Putting things right

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
6.1	Effective dispute resolution requires a process designed to resolve complaints. Where something has gone wrong a landlord must acknowledge this and set out the actions it has already taken, or intends to take, to put things right.		This is what we seek to do. We monitor at weekly complaints monitoring meetings.
6.2	Any remedy offered must reflect the extent of any service failures and the level of detriment caused to the resident as a result. We monitor at weekly complaints monitoring meetings.

Best practice 'should' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
6.3	Landlords should look beyond the circumstances of the individual complaint and consider whether anything needs to be 'put right' in terms of process or systems to the benefit of all residents.		This is what we seek to do through our learning from complaints.
6.7	In some cases, a resident may have a legal entitlement to redress. The landlord should still offer a resolution where possible, obtaining legal advice as to how any offer of resolution should be worded.		This is what we seek to do through our learning from complaints.

Section 7 - Continuous learning and improvement

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations

The volume and type of information will be reviewed at Tenant Matters Committee and the Complaints Policy.
7.5	Any themes or trends should be assessed by senior management to identify potential systemic issues, serious risks or policies and procedures that require revision. They should also be used to inform staff and contractor training.		This is our practice
7.6	<p>Landlords should have a standard objective in relation to complaint handling for all employees that reflects the need to:</p> <ul style="list-style-type: none"> • have a collaborative and co-operative approach towards resolving complaints, working with colleagues across teams and departments • take collective responsibility for any shortfalls identified through complaints rather than blaming others 		This is our practice.

A specific section on complaints handling will be included in the 2022/23 Annual Report.
